2015 Mountain Bike Series Rules

The mountain bike series is not USA Cycling-sanctioned; however, USA Cycling rules will apply except when in conflict of the following:

- The VRD's mountain bike series is meant to be fun and safe for all racers. Although these are competitive events, safety comes first! **NO POOR SPORTSMANSHIP OR UNSAFE RIDING WILL BE TOLERATED.** VRD reserves the right to disqualify riders on these grounds.
- Helmets are required to participate in all mountain bike series races.
- Riders can register for the entire series or for individual races. **Only riders who register for the entire series will receive series points.**
- Riders may choose to change categories at any time, however, we encourage riders to move up to a more competitive category after TWO first place finishes.
- If you permanently change categories, you will start accruing points in your new category. If you switch categories for only one race, you will not receive points for the single race. Half of the points from your original category will transfer to the new category. You can only be in one category for the overall title.
- No series points will be given for riders in the Never Ever Category.
- Racers must complete the entire race on the same bicycle on which the race was begun. Riders may accept help from other racers on course for repairs; however, cannibalizing other bikes is not permitted.
- It is the responsibility of the passing rider to overtake safely. Riders being passed must move over as quickly and safely as possible. Lapped riders must yield to overtaking riders from the same category. If two riders in the same category are vying for position, the leading rider does not have to yield to the challenging rider.
- A rider may not bodily interfere with the intent to impede another rider's progress.
- It is the responsibility of the racer to stay on course and keep track of their laps.
- Short-cutting and/or cutting switchbacks is not permitted and will result in disqualification.
- If you do not finish (DNF) a race for any reason, or have already finished the race, do not go through the finish chute. If you cross the finish line in error, notify the race staff in the timing trailer immediately.

I, the undersigned, acknowledge that I have read the 2015 VRD MTB Town Series rules, understand them and agree to adhere to them while participating in VRD mountain bike races. I acknowledge that the VRD staff will un-invite me to participate in future races if I break these rules.
