## YOUTH SCHOLARSHIPS

The Tom Slaughter, Jr. Memorial Youth Recreation Grant awards funds to school-age youth living in Eagle County for any Vail Recreation District youth program.

Grant decisions are based mostly on financial need, but other factors such as the applicant's desire, ease of participation and positive growth benefits are also considered.

Applicants may receive full, partial or no financial assistance from this grant request, which is administered by the Vail Recreation District.

Program funds are entirely fundraised, so the financial status of the account may affect the number of grants made in certain years. Grant recipients will receive notice for opportunities to help raise money for future program funds.

Visit [vailrec.com](http://vailrec.com) to download a scholarship application.
