

Summer 2020

Dear Valued Community Partner,

The Vail Recreation District (VRD) is a not-for-profit, quasi-municipal organization dedicated to providing our community with a wide array of recreational activities at an affordable cost. To do this, we need the support of the community. Currently, we are looking for area businesses to contribute to the Vail Gymnastics Center with sponsorship funding.

Vail Gymnastics is a professional facility that is dedicated to training young gymnasts for competition in addition to our recreational programs. Competing increases the confidence and skills of these gymnasts and requires traveling to competitions throughout Colorado and the country. The cost of travel, coaches' fees and a sizeable entry fee make this an expensive sport to participate in, on top of the cost of monthly tuition and team uniforms which are required to compete. All of these expenses are expected to be paid by the gymnast and may become a large hurdle in their ability to participate.

Through a business sponsorship, you will help to offset the expenses of competing and support the Vail Gymnastics Center while increasing the visibility of your business in the community in a positive way. The four packages available are discussed in the accompanying PowerPoint presentation and we are happy to consider alternative ideas, as we strongly believe in customizing a benefit package that meets your needs. All donations made to the VRD's programs are tax deductible.

Thank you in advance for your consideration. It is the generosity and support of companies like yours that allow us to continue to offer top-notch, affordable recreation opportunities that characterize the Vail lifestyle.

Sincerely,

Julie Cotter
